

The [Firehouse Subs Public Safety Foundation](#) gives away millions of dollars each year to first responders. On **Thursday July 31st at 3:00 pm**, two public service providers in Southwest Chicago will be formally presented grants and you are cordially invited to the dedication ceremony.

- **Homer Township Fire Protection District has been given 10 portable and 7 vehicle mounted radios and 1 gator with med bed and cab enclosure valued at \$21,328.97.** The tools greatly improve communications on calls for our residents. With the amount of trails and farms to protect, having an all Terrain Vehicle improves HTFPD response to difficult to reach areas and the highly attended events.
- **Elim Christian Services has been awarded an AED (Au>>>) valued at \$1,458.95.** This AED will benefit the children with disabilities served by Elim Christian School. There are many students with medical needs and with feeding issues (including students with difficulty swallowing). Individuals who struggle with swallowing are prone to choking; if staff is unable to resolve a choking situation, CPR may be needed to save the life of a student, and an AED is critical in this situation.

The dedication will take place at

These equipment donations have been made possible by the generous donation of patrons of the Firehouse Subs of Orland Park as well as Firehouse Subs restaurants around the country. We anticipate the participation of many leaders from Fire Departments, Police Departments, community organizations, schools, citizen groups and villages as well as the press at the dedication ceremony. Please respond with a confirmation of attendance.
