

## **Important Date for Your Attention!**

### **Public Hearing Continuation on the Final Draft Version of the Village of Homer Glen 159<sup>th</sup> Street Corridor Planning Study:**

**November 12, 2014 at 7:30 p.m.  
Homer Glen Village Board Room  
14917 S. Founders Crossing**

The Village of Homer Glen is entering the concluding phases of performing a *159<sup>th</sup> Street Corridor Planning Study*. This Study focuses on land use, development potential, corridor character, streetscape elements, infrastructure, access, mobility, signage, economic strategies, and other issues and opportunities for this important corridor. The intent of the Study is to produce responsive, creative, and effective recommendations and actions designed to improve all aspects for the future of the 159<sup>th</sup> Street Commercial Corridor. The Study focuses specifically on 159th Street within the Village of Homer Glen and will serve as an addendum to the Village's Comprehensive Land Use Plan.

The participation of residents, business owners, property owners, and other stakeholders, from throughout the Village of Homer Glen, has been a focal point for the Study's planning process. **The continued public hearing will provide the opportunity for public input on the final draft version of the 159<sup>th</sup> Street Corridor Planning Study. The public hearing is scheduled for Wednesday, November 12<sup>th</sup> at 7:30 p.m. in the Village Board Room, located at 14917 S. Founders Crossing.** All persons wishing to be heard may appear at the public hearing or submit written comments.

**A copy of the draft 159th Street Corridor Planning Study is available for review at the Homer Glen Village Hall located at 14933 S. Founders Crossing. The draft document can also be accessed online through a link on the Village's homepage News & Events at [www.homerglenil.org](http://www.homerglenil.org). Please note, due to the large document size, downloading will take several minutes.** Please contact the Village's Economic Development Director at 708-301-0632 if you have further questions.
