Village of Homer Glen is Moving in a Different Direction

Homer Glen, (September 28 , 2015)

Effective Friday, September 25, 2015, Cameron Davis will no longer serve as Village Manager for the Village of Homer Glen. Mr. Davis' release from the Village follows the new administration's recent decision to change law firms.

Mayor George Yukich stated that Mr. Davis' release was not related to his performance but rather the Village's desire to move in a different direction.

Cameron Davis was hired by the Village of Homer Glen in August 2011. His employment contract with the Village expired on May 1, 2015. Since that time, Mr. Davis has served as an at-will employee.

Assistant Village Manager Heather Kokodynsky has assumed the position of Interim Village Manager.
