

Community and Nature . . . in Harmony

Village of Homer Glen

**Attention: Public Information Meeting, Tuesday, October 30th, 7pm
At The Homer Junior High School Cafeteria, 15711 Bell Road**

The Village of Homer Glen will host an informational meeting regarding the upcoming referendum on home rule for the Village of Homer Glen. Homer Glen has been a home rule community since 2008, when its population reached 25,000. The Federal Government's decennial census reported the Village's population dropped below 25,000 and so the question of retaining home rule had to be placed on the ballot. Below is how the home rule question is worded on the election ballot. We hope to see you at the public information meeting on October 30th.

**SHALL THE VILLAGE OF HOMER GLEN CONTINUE TO
BE A HOME RULE UNIT OF LOCAL GOVERNMENT?**

YES
 NO

A vote **YES** would retain the Village's home rule status and a vote **NO** would not retain the Village's home rule status.

We encourage you to go to www.homerglen.org for more information about the home rule referendum.
