To the Residents of Woodbine, Woodbine West and Saddle Brooke Subdivisions,

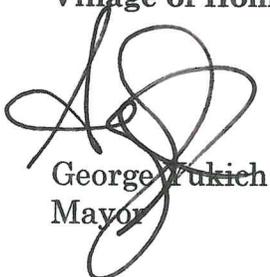

By now, you may be aware that the decision to discontinue golf at the former Woodbine Golf Course has been made. We have had numerous discussions and meetings with the Ludwig family, and it is both the Village and Mr. Ludwig's opinion that to continue allowing golf during the 2015 and 2016 season could potentially hinder the work needed to address the flooding issues many of you are experiencing.

A Request for Proposals went out to several engineering firms. I will make every effort to continue to keep you informed of our progress in addressing the flooding issues.

On a separate note, I have heard many rumors concerning the Woodbine property. The one I feel that is extremely important to address is the fencing that borders the Woodbine property. The Village has no intention on removing this fence and felt it imperative that we address this rumor.

As always, I urge you to contact me or members of the Village Board regarding any concerns. I strongly encourage you to visit our website at [www.homerglenil.org](http://www.homerglenil.org) for updates.

Sincerely,  
Village of Homer Glen

George Lukich  
Mayor
