BLOCK PARTY GUIDELINES & ACKNOWLEDGEMENT

Dear Village Resident:

All block parties must be approved by the Village prior to the scheduled event. In order to receive approval, a representative of the neighborhood must complete and sign a Block Party Request Application.

As you prepare for your block party, please plan on following the regulations listed below:

- All residents on the block must be notified whether they will be participating or not.
- Noise levels should not disturb residents at any time.
- Children must be adequately supervised at all time.
- The Village of Homer Glen does not authorize the blocking of thru-streets for block parties.
- All tables, chairs and other items placed on the street (including inflatable jump houses) should be kept within the area next to the curb to allow passage of emergency vehicles.
- Do not stretch wires, ropes, nets, lights, banners or other items across the street. These could limit access by emergency vehicles.
- Proper trash containers will be supplied by the organizers and have the area cleaned of refuse at the end of the event.
- Completed applications must be submitted at least 7 days prior to the event.

We wish you the best at your block party and are here to help with the process.

For any additional questions, please call the Village Hall at 708-301-0632.

By signing, applicants understand and agree to adhere to the guidelines above.
