Small Business Saturday in the Village of Homer Glen

The Village Board and I proclaimed November 28, 2015, as Small Business Saturday in the Village of Homer Glen. Small businesses are the backbone of our economy and provide 55% of all jobs. Following the tradition of Black Friday and Cyber Monday, Small Business Saturday is a way to boost the local economy and strengthen the small business community. The citizens of Homer Glen are encouraged to recognize and support small businesses within our community by shopping and dining at these Village establishments on Saturday, November 28 and throughout the year!
