Happy Holidays From The Village of Homer Glen

Clerk Holtz, Village Trustees, Village Staff and I wish you and your family a safe and happy holiday season. Village Hall will be closed on Thursday, December 24 through Friday, December 25.

Request for Proposals For Park Planner

As many of you know, this past fall, the Village opened the future Village Hall Park (former Woodbine golf course) for passive recreation. I want to provide the residents with an update regarding the future development of this park property. On Tuesday, December 15, the Village published a Request for Proposals (RFP) for professional services related to the creation of a master park development plan for the park property. The RFP document can be accessed through the Village website via the following link: <http://www.homerglenil.org/2340/Open-BidsRFPs>

The Village Board and I will continue to keep the community informed as we move forward with this project in the coming weeks.

Part-Time Code Enforcement Officer Job Opening

The Village of Homer Glen is seeking a part-time code enforcement officer responsible for the inspection and enforcement of Village regulations as they pertain to property maintenance, land use, zoning, signage, and nuisance abatement. Please visit <http://homerglenil.org/jobs.aspx> for more information.

Golden Apple Teacher Awards

I encourage residents to consider nominating teachers from our community for the Golden Apple Awards for Excellence in Teaching. Each year, Golden Apple honors 10 outstanding high school teachers and has recently added the Stanley C. Golder Leadership Award to recognize the school leaders who transform teachers and learning environments to help students truly excel.

Please visit www.goldenapple.org/nominations to nominate a teacher or school leader for the awards.
