

Resident Handbook 2016

www.homerglenil.org

Dear Neighbor:

Welcome to Homer Glen! On behalf of your Village officials and staff, we're pleased that you chose Homer Glen for your home. Although a relatively new community, (incorporated in 2001) we are committed to our goal of community and nature in harmony. We are proud of the work that we have done as a young community in preserving, protecting and planning for our future as one of the premiere communities in Will County.

Homer Glen is a vibrant Village. Our commercial development is continuing to prosper, bringing in new opportunities for residents at an incredible pace. Homer Glen commuters and developers are enjoying the recent proximity of the I-355 interstate. Homer Glen's school district continues to exceed state standards while maintaining a very low per pupil operating expense. All of this is made possible despite the absence of a municipal property tax on residents!

Our system of recreational facilities and green space is also unsurpassed, it includes a 100+ acre park offering passive recreation, one challenging golf course, several hundred acres of majestic forest preserves and trails, and countless youth athletic opportunities. With our many cultural, civic and religious organizations, any resident can find activities and programs which match their needs and interests.

Village government is overseen by a Board of Trustees, consisting of the President and six Trustees, all of whom are elected. Day-to-day operations are under the direction of the Village Manager, whose office is at the Village Hall, 14933 S. Founders Crossing. The Village has a staff of knowledgeable employees to serve you, and there are several committees staffed by resident volunteers who make recommendations to the Village Board in various areas, such as zoning, community relations and transportation. We encourage our residents to be involved, check out our website for volunteer opportunities.

The Village Board meets on the second and fourth Wednesday of each month at 7:00 p.m. in the Village Board Room. You are welcome to attend, or you can watch the proceedings on cable TV, channel 6 or on YouTube. You can also find out about other committee meetings and upcoming Village events by going to our website at www.homerglenil.org.

If you are interested in becoming actively involved in Village government, let us know by submitting a volunteer application. Sign-up sheets are available at the Village Hall and on our website at www.homerglenil.org.

Again, welcome to the Village. If we can be of service, please contact us at the Village Hall, 708-301-0632 or by email at village@homerglen.org.

Sincerely,

George Yukich
Mayor

MISSION STATEMENT

The Village of Homer Glen is committed to preserving, protecting, and enhancing our community's quality of life through responsible residential and economic development while utilizing sound fiscal management. We will strive to maintain open space, preserve our unique rural character, and safeguard our natural resources. The Village encourages community involvement in order to maintain and cultivate a balance of family, agriculture, business, environment, and cultural diversity for present and future generations.

CORE VALUES

Rural Atmosphere & Concern for Environment

Preserving the rural atmosphere and protecting the environment are essential to safeguarding the appearance and character of Homer Glen.

Homer Glen's rural atmosphere is characterized by open space, agricultural settings, and the presence of large lots with horses and other domestic farm animals.

Protecting the environment is important to the health and well being of Homer Glen citizens.

Safeguarding areas of significant natural value, promoting the re-establishment of native vegetation, protecting and managing water resources, and providing wildlife corridors are fundamental environmental protections.

Understanding the agricultural roots and historical background of our geographic area will enrich the community and further clarify the need for preserving our rural atmosphere.

Managed Growth Density & Commercial Base Development

Responsible residential and commercial development protects quality of life by limiting adverse effects such as school overcrowding, flooding, road congestion, poor water quality and other environmental problems.

The highest priority in land-use decisions should be to protect residents from adverse impacts of differing land use patterns. The Village of Homer Glen and its citizens benefit from commercial development that is consistent with the Village's Comprehensive Plan.

Inclusion - A Sense of Community & Limit Intrusive Government

Involvement of residents ensures an effective, representative, responsive government.

Promoting and encouraging the participation of all community members ensures the concerns of all are represented and respected.

Homer Glen residents benefit from a safe, family-oriented community by maintaining and enhancing educational, recreational and cultural opportunities. Pursuing alternative methods for funding these objectives without burdening taxpayers is a priority.

Homer Glen officials are entrusted to provide balance and stability while operating the Village in the least restrictive manner feasible. A fiscally accountable government is needed to protect the interests of Homer Glen taxpayers.

GENERAL INFORMATION

The Village of Homer Glen is located just 25 miles southwest of Chicago in Will County, Illinois. The Village was incorporated on April 17, 2001, and soon afterward volunteers crafted the Village's first Mission Statement and Core Values.

Homer Glen is bisected by three major creeks that are home to a multitude of wildlife such as beavers, coyotes, deer and woodchucks. The gently rolling terrain is dotted with prairie grasses, trees, and cultivated fields.. A sizeable number of residents have horses on their property.

The Village is a unique blend of small farms, spacious developments, and open space located within Homer Township in Will County, Illinois. Founded in 1836, the Homer Township area is rich in history and was once known as "Yankee Settlement". Many of these early residents arrived by way of Lake Michigan, their vessels landing near Fort Dearborn. From there, they traveled on to Homer.

Within the approximately 22.4 square mile corporate boundaries of Homer Glen are two square miles of Will County Forest Preserves. Messenger Woods Nature Preserve is one of Will County's oldest and most unusual forest preserves. Visitors to the preserve can enjoy one of the few remaining forests in northeastern Illinois that has not been altered by grazing, cutting, farming, or development.

DEMOGRAPHICS

At 22.4 square miles, Homer Glen is Will County's fourth largest municipality. The Village encompassed about 19.9 square miles at the time of incorporation in 2001. With boundary agreements currently in place, the Village has the opportunity to increase to about 25 square miles.

The current population of 24,220 is based on a census conducted during 2010.

The median family household income in Homer Glen is \$96,154 and the average age is just over 35 years old.

Contact the Village's Economic Development Director for additional demographics.

GOVERNMENT OVERVIEW

Village Board

The Village Board is the legislative and policy-making body of the Village and includes the Village President and six Trustees. The President and Trustees are elected at-large.

The Village Board meets on the second and fourth Wednesday of each month at 7:00 p.m. in the Village Board Room, located at 14917 S. Founders Crossing. Regular Village Board meetings are broadcast on cable Channel 6 and can be accessed on YouTube.

President: George Yukich

Village Clerk: Ann Holtz

Trustees:	Michael Costa	Christina Neitzke - Troike
	Sharon Sweas	Brian Burian
	Carlo Caprio	Beth Rodgers

Committees

In addition to the Village Board, Homer Glen resident volunteers serve on five standing committees. The first step for any resident interested in serving the Village in such a position is to complete a volunteer application. This may be obtained from the Village Hall by calling (708) 301-0632 or accessed on the Village’s website www.homerglenil.org. The Village President appoints board members to these committees with the approval of the Village Board.

Residents may volunteer to serve on the following Committees:

- Parks and Recreation Committee
- Environment Committee

- Homer Glen—Homer Township Parade and Festival Committee
- Homer Harvest Days Committee
- Public Services & Safety Committee

Village of Homer Glen Park Properties

The Village of Homer Glen maintains the following four park properties. For information regarding Homer Township park properties, please visit www.homertownship.com

Kingston Hills Park– 14820 Carlton Lane

This park is located in the Kingston Hills subdivision on Carlton Lane between Manor Lane and Hampshire Lane. The 1.72 acre park includes a small shelter, playground equipment and an access point to the Village's Heroes Trail system.

Stonebridge Park– 14200 Stonebridge Drive

This park is located in the Stonebridge Woods subdivision on the West side of Stonebridge Drive. The 5.61 acre park includes a large pavilion, playground equipment, lighted basketball and tennis courts, a fitness course and a picnic area.

Erin Hills Park– 13758 Dublin Drive

This park is located in the Erin Hills subdivision on the East side of Dublin Drive. The 14.69 acre park includes a large playground area., a putting green, a small picnic shelter, a native area and a serene nature lookout adjacent to several large ponds and walking trails.

Village Hall Park– 14240 W. 151st Street

This park is located on the grounds of the former Woodbine golf course. Currently this park is open for passive recreation only, until further park planning is conducted. Park features include a 1.2 mile walking trail and a picnic grove area.

For more information regarding Homer Glen
park facilities, please visit
www.homerglenil.org or call 708-301-0632

GARBAGE, YARD WASTE & RECYCLING PROGRAM

The Village of Homer Glen has a trash collection program with NuWay Disposal. All occupied residential properties must have refuse service with NuWay in order to protect the health, safety, and welfare of the community. Garbage, recycling, yard waste (during yard waste season) will be picked up according to your area. Please contact NuWay in order to receive your pick-up day. All materials must be at the curb by 6:00 a.m. Village regulations permit containers to be placed at the curb after 6:00 p.m. the day prior to the collection day and require removal by the end of the collection day.

Garbage service is billed on a quarterly basis. A discount is available for residents 65 years and older. You will receive a quarterly bill from NuWay Disposal in the months of January, April, July, and October. Bills can be paid online at www.mydisposal.com by clicking the “Pay My Bills” link on the home page.

NuWay Disposal provides a 95-gallon garbage toter for each home within the Village limits. If you need more than one toter, additional toters can be rented for \$2.75 per month. The service includes the disposal of one large bulk item (appliances, furniture, etc.) and no more than two cans of construction debris per week. Tires and hazardous materials will not be picked up as part of this program.

Recycling will be picked up in a dark green 95-gallon recycle toter every week on your regular pickup day. Please see the next page to find out what can be recycled.

Yard waste season is April 1st through November 30th. You can put your yard waste out on your regular pickup day. Yard waste can be picked up by three different methods.

1. Place all yard waste in heavy duty brown paper yard waste bags. No stickers are required. Yard waste bags can be purchased at local hardware and grocery stores.

2. Request a blue 95-gallon yard waste toter from Nu-Way Disposal (at no extra cost for the first toter). Toters can be used for household garbage during the winter months of December-March only.

3. Apply the red “yard waste only” sticker to your own 32-gallon cans that will be used for yard waste. These cans must not exceed the 50 pound limit.

What Can I Recycle?

Containers

Tin and aluminum cans, trays, and foil

Aseptic Packaging (milk & juice cartons)

Plastic containers marked #1 - #7 (no #6) including soda and water bottles, milk and juice jugs, detergent and fabric softeners, health and beauty products, household cleaners, margarine tubs, frozen dessert cups, six and twelve-pack rings, yogurt cups, syrup, ketchup bottles and plastic buckets (i.e. Kitty litter containers, etc.)

Glass bottles and jars (clear, brown & green).

No window glass, light bulbs, dinnerware or ceramics.

Paper / Other Fibers

Newspaper and newspaper inserts

Cardboard (no waxed cardboard)

Kraft (brown) paper bags

Magazines, catalogs and telephone books

Office, computer, notebook and gift wrap paper

Chipboard (cereal, cake & food mix boxes)

Carrier Stock (soda can boxes)

Junk mail and envelopes (no plastic cards, stick on labels)

Paperback books (no hard cover books)

Special Instructions:

All containers must be emptied and rinsed clean.

No motor oil, insecticide, or hazardous chemical containers

No plastic film (sheets, tarps or wrap)

No styrofoam

Village of Homer Glen Heroes Trail System

Heroes Trail begins in scenic Yangas Park, winding through several subdivisions before connecting to Culver Park. This section of the trail also links to Kingston Hills Park, the Homer Township Senior Activity Center, the Healing Garden and the Homer Glen Village Hall.

An additional piece of the trail begins at Beaver Lake Drive, west of Bell Road. From here, the trail meanders southward through the ComEd easement, westward along Pin Oak Drive and southward along Golden Oak Drive before connecting to the main portion of the trail.

The south extension to the Heroes Trail is currently under construction, connecting the existing trail near Founders Crossing and Bell Road to 159th Street. Eventually, this connection will link to the planned multi-purpose trail along 159th Street.

To view a map of the Heroes Trail, visit homerglenil.org and enter “Heroes Trail” in the search box.

BUILDING DEPARTMENT

The Village of Homer Glen has adopted a set of building codes to protect homeowners and the public against unsafe building practices and potential health and safety hazards during construction projects.

Building permits are required for projects including, but not limited to the following:

Siding	Pools
Decks	Fences
Exterior Entry Doors	Windows
Roofing	Sheds
Gutters, Soffit, and Fascia	
Concrete Driveways, Sidewalks, and Patios	
Exterior Additions – Sunrooms	

Protect your home investment, and avoid unnecessary fines by making sure you apply for your building permit PRIOR to starting your home improvement project.

If you have any questions, please do not hesitate to call the Building Department Monday through Friday, 7:30 AM – 4:30 PM at (708) 301-1301 or visit www.homerglenil.org.

RESIDENT INFORMATION

- Watering restrictions are in effect from May 15th through September 15th. Please refer to the website to view Ordinance No. 06-038 for details.
- Homer Glen residents enjoy the recreation facilities of Stonebridge Park, Kingston Hills Park, Erin Hills Park, the Village Hall Park and the Heroes Trail System. Please see Page 13 for more information about Homer Glen Park facilities.
- If you are moving to Homer Glen from outside of Illinois, you can get new License Plates from the Illinois Secretary of State's Office by calling 888-261-5238. Updated Drivers Licenses can be obtained there as well.
- Persons with a disability may obtain plate/placards that are available for temporary use (maximum 3 months) from the Homer Township Administration Office (708) 301-0522. Permanent plate/placards must be provided by the State of Illinois. Please contact the State of Illinois at (217) 782-2709.
- Homer Glen residents can use the surrounding community post offices.

Lockport- 215 E. 9th St. 60441	(815) 838-9104
Lemont - 15871 W. 127th St. 60439	(630) 257-6205
Orland Park - 9500 W. 144th St. 60462	(708) 349-8030
Mokena - 19934 Wolf Rd. 60448	(708) 479-9431
New Lenox – 300 N. Vine St. 60451	(815) 485-8273
- The Village of Homer Glen has a regular court appearance date for the adjudication of violations of municipal ordinances and violations of certain provisions of the State of Illinois Motor Vehicle Code: Dates listed at www.homerglenil.org. Court appearances are located at 14917 S. Founders Crossing, Homer Glen.
- To contact the Homer Glen Chamber of Commerce, please call (708) 301-8111 or visit their website at homerchamber.com

- The following chart shows the times for teen curfew:

Teen Curfew		
Age	Sunday-Thursday	Friday & Saturday
16-17	11:00 PM	12:00 PM
13-15	10:00 PM	11:00 PM
12 and under	9:00 PM	10:00 PM

- Halloween “Trick or Treat” hours: 3pm – 7pm.
- The Village of Homer Glen and PACE bus service have joined forces to organize a Dial-A-Ride program for senior citizens. Residents must call PACE one day in advance to be picked up.
- Block Party Approval applications are available at the Village of Homer Glen free of charge. Contact the Village at (708) 301-0632.
- Homer Glen has recently added two dog parks. The first is located at the Trantina Farm property. Contact information for this park is (708) 301-0522. The second park is located at Messenger Woods. The contact number for the Forest Preserve is (815) 727-8700.
- Homer Glen prohibits the growth of grass and weeds in excess of 8 inches on any property. Please see ordinance no. 08-038 prohibiting and regulating the growth of grass and weeds for further details on our website.

- Homer Glen allows residents to burn leaves after securing a leaf burning permit. The permit is free of charge and available at Village Hall. Permits are good for six months from issuance. For more information, please contact the Homer Glen Building Department at 708-301-1301.
- Emerald Ash Borer (EAB) is a small, invasive insect that feeds on ash trees, causing the tree's decline. EAB has been found in several Homer Glen subdivisions. Village officials and the Homer Township Highway Department have worked together to remove several hundred infected trees from Village owned parkways. To schedule a parkway tree inspection, by our Village Arborist, for any suspected infected trees, please contact Sue Steilen at 708-301-0632.
- Homer Glen has a contract with Clarke Environmental Mosquito Management, Inc. Clarke conducts three Village-wide mosquito sprayings per year, using ultra-low-volume cold aerosol misting treatments to reduce the mosquito population in residential areas. Clark also conducts monthly treatments of mosquito breeding sites (i.e drainage ditches, swamps, areas of standing water). To become notified of when Clarke will be spraying in your area, call Clarke's mosquito hotline at 800-942-2555 and ask to be registered to the "Prior Notification List."
- Will County Green provides educational information on recycling options, reducing energy consumption, disposing of household hazardous waste, and other green initiatives. The organization also holds drop-off recycling events periodically. Please visit www.willcountygreen.com for more information.
- Homer Glen currently levies no municipal property tax for general operations. Village operations are primarily funded by income and sales tax.
