DEAR IMET LIQUIDATING TRUST PARTICIPANT:

The following is to update you on certain developments relating to the First Farmers Financial repo matter.

IRS Subordination Update

On June 25, 2018, the IRS filed two separate claims against the Overall Receivership Estate totaling \$33,989,671.80. The IRS advised the Overall Receiver that it needed to formally file such claims in order for the IRS to make its final determination as to whether it will subordinate its claims in favor of the aggrieved investors. The IRS told the Overall Receiver that it should be in a position to give its final position on subordination by year end. As we have previously advised, the Overall Receiver will not make any distributions until the issue of the IRS's claim is resolved.

Update on USDA Lawsuit

As previously advised, on September 18, 2017, the United States District Court for the Northern District of Florida granted the USDA's Motion to Dismiss the lawsuit brought by IMET and other investors against the USDA. IMET and other investors have appealed this decision to the Eleventh Circuit Court of Appeals. This appeal has been fully briefed and IMET is waiting for a decision by the Eleventh Circuit Court of Appeals.

Update on Cash on Hand

As of July 10, 2018, the Overall Receiver had a cash balance on hand of \$80,148,549. The vast majority of funds are being held in interest bearing money market accounts.

Banes Lawsuit

The Overall Receiver continues to pursue a fraudulent transfer claim against the BCM High Income Fund, LP and BCM High Income GP, LLC (collectively "Banes") which received over \$22 million from First Farmers Financial for three phony loans which First Farmers had originally sold to Banes. Discovery is proceeding, and the case is currently pending in the United States District Court for the Northern District of Illinois before the Honorable John Robert Blakey. No trial date has been set.

UCF Escrow Litigation

The Overall Receiver continues to pursue a claim against Robert J. Guidry Investments, LLC ("Guidry") for \$1.5 million held in escrow after Guidry failed to close on its purchase of the UCF Orlando hotel following an auction for the sale of this hotel. The Overall Receiver was able to later sell this hotel to a different buyer but is seeking the return of the monies held in escrow. The parties are waiting for a ruling from the Honorable Judge Robert Blakey on whether the Overall Receiver or Guidry is entitled to the monies held in escrow.

Should you have any questions, don't hesitate to call Sofia Anastopoulos at IMET or IMET's outside counsel, Randall Lending of Vedder Price 312-609-7500.

Sincerely,

Christy Powell
Chairman
