

## NOTICE OF IMPROVEMENTS

RE: Village of Homer Glen  
Woodbine Subdivision Stormwater Improvements

Dear Woodbine Subdivision Resident:

The Village of Homer Glen is pleased to inform you construction for the Woodbine Subdivision Stormwater Improvement Project will begin **within the next 2 weeks**. The scope of the project will include installation of new storm water lines, french drains, manholes, catch basins and flared end sections in several areas:

Areas include the following:

1. East perimeter of the Woodbine Golf Course from 151<sup>st</sup> Street, north approximately 600 feet. Work will include the installation of a french drain, and construction of a berm / ditch system.
2. Rear yards between Eagle Ridge Drive and Innisbrook Drive, west of the Cantigny Lane / Eagle Ridge Drive Intersection. Work will include the removal and replacement of storm sewer lines.
3. The north parkway / sidewalk of Cantigny Lane between Eagle Ridge Drive and Greenbier Lane. Work will include the construction of a storm sewer line and the removal and replacement of sidewalk.
4. Within Sendre Park. Work will include the construction of a storm sewer line.
5. Culver Park retention pond. Work will include the reconstruction of the pond outlet pipe.

Access to driveways and streets will be maintained during the construction process. In the event unforeseen conditions require restricting access to your driveway, you will be notified by the Village representative.

Street parking areas along roads with construction will be posted "**No Parking**" during construction hours. The Village of Homer Glen asks that you park your vehicle along the adjacent side streets. Please note that failure to comply with the "**No Parking**" signs could result in the towing of your vehicle with fines and fees.

Please observe construction signs and barricades as they are provided for your safety.

There will be emergency access for local Police and Fire Departments during the construction. If you have any questions, please contact Joseph Pasquantino of Postl-Yore and Associates, Inc. at (847) 833-7115 during normal business hours. For emergencies, contact the Will County Sheriffs Department.

Thank You.

**The Village of Homer Glen**

## Notice of Improvements

RE: Village of Homer Glen  
Farm Views Retention Pond  
Pump Station & 12" Piping Outfall

Dear Resident Around Farm View Retention Pond

The Village of Homer Glen is pleased to inform you that construction for the above named project will begin within the next three weeks, weather permitting. Alsterda Construction Company is the contractor, and Tom Summers is the contact person at 708/385-1834.

The scope of the project will include:

- 1) Clean out, grade, and shape ditch at pond for 460 LF to get pond to drain better.
- 2) Start on 151<sup>st</sup> Street with 12" pipe, working our way through McEnery property to the pond.
- 3) Install Lift Station and ComEd feed.
- 4) Install 4" underdrains on edge of pond.

Access to the work will come off 151<sup>st</sup> Street through Bengston's Farm, so no one should be impacted.

Thank you.
