

Mayor & Village Board Standard Operating Procedure – No. 002

Date Adopted: November 22, 2011

Date Last Revised: September 25, 2019

Mayor and Village Board Standard Operating Procedure No. 002, having been first adopted by the Mayor and Village Board on November 22, 2011, shall:

1. Be updated on at least an annual basis;
2. Be administered by the Mayor and Village Manger; and
3. Serve as the Villages Account Fund Guidelines for the purpose of budgeting and financial planning.

Signed: _____

Date: March 25, 2020

THE VILLAGE'S ACCOUNTING FUND GUIDELINES

The Mayor and Village Board have hereby established **Accounting Fund Guidelines**. This SOP will serve as the **Village's Accounting Fund Guidelines** for the purpose of budgeting and financial planning. Guidelines are hereby established for each and every fund the Village utilizes in its budgeting process. Each individual fund guideline will include the following information:

Fund Purpose
Projected Fund Balance – Based on Budget Surplus (Deficit)
Suggested Minimum Fund Balance
Suggested Maximum Fund Balance
Major Sources of Revenue
Traditional Areas of Expenditures
Expenditure Limitations

As with all Mayor and Village Board SOP's, the document shall be updated annually.

GENERAL FUND (Fund 10)

Fund Type – General – The General Fund accounts for all revenue and expenditures of a governmental unit that are not accounted for in other funds.

Purpose – The General Fund serves to finance the Village’s daily operations.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$5,265,000 at 04/30/2020.

Suggested Minimum Fund Balance – The greater of \$2,250,000 or three months of the current fiscal year’s operating budget.

Suggested Maximum Fund Balance – The greater of \$3,800,000 or six months of the current fiscal year’s operating budget. Any amount over the maximum fund balance could be transferred to the Park and Recreation Fund or Capital Project Fund, by Village Board approval.

Major Sources of Revenue – Sales Taxes, State Income Tax, Intergovernmental Reimbursements, Local Use Tax, Licenses, Fines, Cable and NICOR Franchise Fees, Gaming Tax, Other Fees and Development Revenue.

Traditional Areas of Expenditures – Personnel Services and Benefits, Commodities, Contractual Services, Repairs, Maintenance and Equipment.

Limitations – As recorded in the Illinois State Statutes governing the operations of home rule government.

SPECIAL EVENTS FUND (Fund 12)

Fund Type – General Fund - Restricted – General Funds (Restricted) are used to account for the accumulation of surpluses and/or deficits from the Village's community festival and other special events.

Purpose – To account for the Village community festival and other special events. The annual operating surplus and/or deficit will be set aside as restricted general fund balance for the intent of offsetting future event costs.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$30,000 at 04/30/2020.

Suggested Minimum Fund Balance – \$30,000

Suggested Maximum Fund Balance – \$60,000

Source of Revenue – Original transfer from Village General Fund and gross receipts, profits, from yearly special events and sponsorship program.

Traditional Areas of Expenditures – Traditional festival expenditures to include entertainment, carnival, fireworks, insurance, staff support liaison and other festival expenditures.

Future Needs – Continued festival surpluses to defray event costs.

Limitations – Limited to Village's Community Festival Event. Fund balance in excess of \$60,000 could be transferred back into the Village's unreserved general fund balance, by Village Board approval.

ENVIRONMENT FUND (Fund 14)

Fund Type – General Fund - Restricted – General Funds (Restricted) are used to account for the environment related revenues and expenditures.

Purpose – To account for environmental revenues and expenditures. The annual operating surplus or deficit from environmental activities will be set aside as restricted general fund balance for the intent of offsetting future environmental initiatives.

Projected Fund Balance – Based on FY 2020 Estimated Budget Surplus (Deficit) - \$45,000 at 04/30/2020.

Suggested Minimum Fund Balance – Undetermined.

Suggested Maximum Fund Balance – \$60,000. Any amount over the maximum fund balance could be transferred to the General Fund, Park and Recreation Fund, Tree Replacement Fund or Capital Project Fund, by Village Board approval.

Source of Revenue – Environmental surcharge fee from the refuse service provider.

Traditional Areas of Expenditures – Traditional environmental programming expenditures to include tree plantings, staff support liaison, environmental education, paper shredding/recycling events and household hazardous waste events, earth day ~ arbor day event, electronic recycling expenditures, environmental association memberships, stargazing events and watershed initiatives.

Future Needs – Continued surcharge to fund program expenses.

Limitations – Limited to Village environmental initiatives. Fund balance in excess of \$60,000 could be transferred back into the Village's unreserved general fund balance or other capital project funds, by Village Board approval.

WATER MANAGEMENT FUND (Fund 16) New FY 2021.

Fund Type – Enterprise (Business-type) – Enterprise Funds are used to account for business-type activities with the intent of it being a self-sufficient operation.

Purpose – To account for revenues and expense from sanitary sewer line.

Projected Fund Balance – \$0 (new fund for FY 2021).

Suggested Minimum Fund Balance – N/A.

Suggested Maximum Fund Balance – N/A.

Source of Revenue – Impact fees, tap-on fees and sanitary sewer user fees.

Traditional Areas of Expenditures – Sanitary sewer consumption expenses and sewer line repairs and maintenance.

Future Needs – As determined by the Village Board of Trustees.

Limitations – Revenues and Expenditures should be related to sanitary sewer activities.

MOTOR FUEL TAX FUND (Fund 20)

Fund Type – Special Revenue – Used to account for revenue derived from specific taxes or other earmarked revenue sources.

Purpose – The maintenance and construction of public transportation infrastructure as approved and allowed by the Illinois Department of Transportation.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$363,000 at 04/30/2020.

Suggested Minimum Fund Balance – The greater of \$250,000 or three months of the current fiscal year's MFT revenue.

Suggested Maximum Fund Balance – This depends on our future needs based on our long-term Capital Improvement Program.

Source of Revenue – Motor Fuel Tax Allotments. Motor Fuel Tax Allotments are based on fuel taxes charged by the state and reapportioned to local municipalities on a per capita basis.

Traditional Areas of Expenditures – Street repairs and maintenance, street light repair, traffic light repair, right-of-way acquisition, Homer Township Road District I/G road maintenance agreement and drainage projects.

Other Possible Areas of Expenditures – Personnel Services and benefits, Street ROW mowing and maintenance.

Future Needs – Ongoing.

Limitations - All projects must be approved by the Illinois Department of Transportation.

PARKS AND RECREATION FUND (Fund 50)

Fund Type – Special Revenue – Used to account for revenue derived from specific taxes and fees and other earmarked revenue sources.

Purpose – The Fund will be used for major parks and recreation projects as approved by the Village Board and park facilities maintenance.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$2,467,000 at 04/30/2020.

Suggested Minimum Fund Balance - This depends on the Village's future needs based on the long-term Parks and Recreation Capital Improvement Program.

Suggested Maximum Fund Balance – This depends on the Village's future needs based on the long-term Parks and Recreation Capital Improvement Program.

Source of Revenue – Developer's obligations - This revenue/improvement source is directly dependent upon the completion of existing and new housing developments. This source of revenue is dependent on available property and the housing development market. Local motor fuel tax and CMAQ grants are another source of revenue and Equity Transfers from other funds.

Traditional Areas of Expenditures – Development, improvements and maintenance of the Village's Park Properties. Expansion and maintenance of the Village's Heroes Trail system.

Future Needs – Continued local motor fuel tax revenue and developer fees to support ongoing parks and recreation improvement projects and maintenance.

Limitations – Expenditures are limited to capital improvement projects involving the Village's parks and recreation programs and maintenance of the park and trail systems.

1. The first step in the process is to identify the problem.

The second step is to determine the cause of the problem.

3. The third step is to develop a plan of action.

The fourth step is to implement the plan of action.

4. The fifth step is to evaluate the results.

The sixth step is to report the results.

5. The seventh step is to document the process.

The eighth step is to review the process.

6. The ninth step is to improve the process.

The tenth step is to maintain the process.

7. The eleventh step is to monitor the process.

The twelfth step is to control the process.

8. The thirteenth step is to adjust the process.

The fourteenth step is to standardize the process.

9. The fifteenth step is to train the staff.

The sixteenth step is to audit the process.

10. The seventeenth step is to review the process.

The eighteenth step is to improve the process.

**HOME RULE SALES TAX FUND
FORMERLY CALLED DEBT SERVICE FUND (Fund 65)**

Fund Type – Special Revenue – Used to account for revenue derived from specific taxes or other earmarked revenue sources.

Purpose – To account for the home rule sales tax revenue collections, debt repayment and fund equity transfers.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$0 at 04/30/2020.

Suggested Minimum Fund Balance – Retain a minimum of 10% the annual home rule sales tax in fund balance.

Suggested Maximum Fund Balance – This depends on the Village’s future needs based on the long-term Capital Improvement Program.

Source of Revenue – Home Rule Sales Tax and Investment Income.

Traditional Areas of Expenditures – Fund equity transfers and future debt repayment.

Future Needs – Home rule sales tax revenue stream to continue equity transfers for capital project funding and future debt repayment.

Limitations – Limited to fund equity transfers and future debt repayments.

CAPITAL PROJECTS FUND (Fund 70)

Fund Type – Capital Project – Capital Project Funds are used to account for major infrastructure repair, restoration and installation projects.

Purpose – Street improvement projects and the repair and maintenance of street intersections, street lighting, sidewalks and other related projects. Drainage and flooding mitigation improvements can also be paid for out of this fund.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$1,023,000 at 04/30/2020.

Suggested Minimum Fund Balance – Undetermined.

Suggested Maximum Fund Balance – This depends on the Village's future needs based on the long-term Capital Improvement Program.

Source of Revenue – Equity Transfers from General Fund and Home Rule Sales Tax Fund, grant income and letter of credit draws.

Traditional Areas of Expenditures – Repair and maintenance (streets, street lights, traffic signal and signs, traffic calming), street and intersection improvement projects and related engineering, park development and flooding mitigation improvements.

Future Needs – Street, sidewalk and intersection improvements. A permanent, dedicated revenue source is needed to support ongoing infrastructure improvement projects.

Limitations - Expenditures should be related to infrastructure/transportation improvements, park development, drainage improvements, flooding mitigation improvements and storm water improvements.

EAB TREE RESTORATION FUND (Fund 71)

Fund Type – Capital Project – Capital Project Funds are used to account for major infrastructure repair, restoration and installation projects.

Purpose – Remove and/or replace trees damaged by the emerald ash borer insect.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$244,000 for FY 04/30/2020.

Suggested Minimum Fund Balance – N/A.

Suggested Maximum Fund Balance – N/A.

Source of Revenue – Fund transfers from General Fund and Capital Project Fund.

Traditional Areas of Expenditures – Arborist, public parkway tree removal and tree replacement.

Future Needs – As determined by the Village Board of Trustees.

Limitations – Expenditures should be related to EAB affected tree issues.

CAPITAL PROJECT- BOND FUNDED (Fund 72)

Fund Type – Capital Project – Capital Project Funds are used to account for major infrastructure repair, restoration and installation projects (funded from 2012 general obligation bond issue).

Purpose – Infrastructure improvement projects including the following: Bedford Park Water Transmission Line acquisition project; Drainage and flooding mitigation studies and improvements; Village costs related to IDOT'S 159th Street Improvement Project; and Fund Transfer for Heritage Park (Option D) project.

Projected Fund Balance – Based on FY 2020 Estimated Operating Surplus (Deficit) - \$8,099,000 at 04/30/2020.

Suggested Minimum Fund Balance – Fund will expire with the complete spend down of bond proceeds.

Suggested Maximum Fund Balance – N/A

Source of Revenue – Bond proceeds \$17,000,000, 319 grant and investment income.

Traditional Areas of Expenditures – Infrastructure improvement projects including the following: Bedford Park Water Transmission Line acquisition project; Drainage and flooding mitigation studies and improvements; Village costs related to IDOT'S 159th Street Improvement Project; and Heritage Park (Option D) project.

Future Needs – Infrastructure improvements as determined by the board of trustees.

Limitations - Expenditures should be related to infrastructure improvement projects including the following: Bedford Park Water Transmission Line acquisition project; Drainage and flooding mitigation studies and improvements; and Village costs related to IDOT'S 159th Street Improvement Project. Funds may be loaned to Debt Service Fund to repay bond series 2012A, by Board Approval.
